

Boy Scouts of America

Greater Los Angeles Area Council

June 7, 2017

Dear Community Leader,

Cub Scout Packs and Boy Scout Troops will soon be participating in an annual Scouting fundraising drive to help raise money for their local Scout Organization. Our Scouts will be selling popcorn throughout the months of September and October. This is a national program which not only helps support our work within the local community, but also helps cover the costs associated with keeping Scouting available for all youth to join.

You can help us by providing a small area outside of your establishment where our youth could set up to sell their popcorn and create awareness about Scouting and their work within the community. All of our youth have been trained to work and communicate in a professional manner and you will be giving them an opportunity to practice their new communication skills while taking the responsibility of supporting their Pack or Troop and the programs that they offer to the community.

There will be adult supervision at all times. We can assure you that our youth will be unobtrusive and courteous, and the sales area you supply us with will be kept clean and neat throughout the sale.

Should you have any questions or require additional information, please contact Lucia Bernal at (213) 413-4400 ext. 313 or Lucia.Bernal@Scouting.org

Thank you for your support
