"SAVE CAMP POLLOCK"

Once you arrive at camp, you will be greeted by our lovely staff all the while a hoard of friendly Zombies is lurking in the distance preparing to invade Camp Pollock. But don't worry because these are friendly zombies and they are looking for your help to save them! Spend all day Saturday working with the zombies to learn new skills and save Pollock from zombie doom. You will get to participate in different activities and challenges that will turn the zombies back to humans and set them free on Sunday!

Every Den will be required to bring a wagon or sled in order to carry around your six essentials. Don't get caught without these as they will be important to complete different tasks to help the zombies.

More information on the specifics of the weekend will come out soon. Sign up now before your weekend gets sold out!
