## GLAAC LDS UNIT WEEK #7: JULY 22-28, 2018

Today, Hubert Eaton Scout Reservation boasts over 2,000 acres of prime Scouting territory in which young men can experience a wide variety of programs such as rappelling and climbing, C.O.P.E., Outpost program and, of course, a diverse Merit Badge program. It is in the image of this fine past that has culminated in what we are today that we find the example that will guide our footsteps as we continue to serve the needs of our youth, one Scout at a time.

*LET OUR STAFF HELP YOUR SCOUTS MAKE MEMORIES THAT WILL LAST A LIFE TIME!*
