

September 28-30, 2018
El Dorado East Regional Park, Long Beach

What is Webelos Woods? Webelos Woods is an outdoor activity program designed to aid in the transition from Cub Scouts to Boy Scouts. This fun-filled weekend will showcase the amazing possibilities that lie ahead, and is designed to inspire Webelos to find a “best fit” Troop. While Webelos experience the thrills of Boy Scouting, their accompanying adults gain a perspective on Troop programming and future opportunities for themselves.

Who can attend? All Pacifica District Webelos Scouts are invited to participate, but each Scout **must** be accompanied by their parent, guardian or family member over 18 years of age. All adults should have current YPT training (completed after February 1st, 2018). Due to the limited size of this event, we ask that no siblings attend.
