Once you arrive at camp, you will be greeted by our lovely staff. This year's theme is “Lost in Space”, a fun filled weekend of Space Exploration. We hope to have plenty of space dust (snow) for play, but if not, be prepared for a visit to our own little Martian planet! We promise that even if there is no snow your unit will have a great time. As always, we highly encourage dressing up in theme and having fun!

Every Den will be responsible to bring a wagon or sled in order to transport around your six essentials to each Space Station. Don't get caught without these as they will be important to complete different tasks during your mission.

More information on the specifics of the weekend will come out soon. Sign up now before your weekend gets sold out!
