Camp Cherry Valley is a very special and unique place. Located on the west end of Catalina Island, we are about one mile from the small village of Two Harbors. We have been a Boy Scout camp for over 95 years. Our cove is sheltered with calm, clear water which is ideal for all sorts of water sports. Many activities are available in camp, as you will see further in this Leader’s Guide. Cherry Valley staff members are trained to be sure you have the best camping experience you have ever had.

ABOUT CAMP CHERRY VALLEY:

Camping at Cherry Valley:

You will be camping in tents beneath a unique grove of cherry trees. The tents are platform tents, with two beds per tent. Tents are approximately 7’ at the peak, and easily accommodate large adults (kids, too!). Nearby are restrooms and hot showers.

We offer a full-service dining hall, with the best meals on Catalina Island! You will be pleased to see that our meals are plentiful, healthy and very tasty! We provide everything you will need for a great experience at camp, except for your personal gear. Here is a listing of some of the things available to you at Cherry Valley:

- Swimming
- Patch Trading
- Kayaking
- Hiking
- Snorkeling
- Archery
- BB Range
- Night Walks
- Sea Lab
- Campfire Programs
- Scout Skills

Just plain relaxing and enjoying the beauty of the Island!

MEDICAL FORM: http://www.scouting.org/scoutsource/healthandsafety/ahmr.aspx
HEALTH AND SAFETY:

Our primary goal is to be sure that you have a safe and fun camp experience. You can help, too, by being aware of any health concerns in your group. The first level of responsibility for health and safety in camp is with the adult members of the group. After that, our camp staff is trained in basic first aid and CPR. Should more extensive help be needed, Los Angeles Lifeguard Paramedics are available, with a response time for arrival in camp of approximately twenty (20) minutes. Avalon Hospital is available in needed. It takes about two (2) hours to drive to Avalon Hospital, and about one hour by boat. In extreme emergencies, helicopter transportation can be used to fly patients to mainland hospitals. All medical and related costs will be the responsibility of the person requiring care.

Everyone (youth and adult) coming to camp must bring with them a completed Medical Form Part A and B (link to form at the bottom of this guide). Part A of the form signed will provide permission for BB’s, Archery and Photo/film release. It is the responsibility of the group leader to make sure that everyone has a completed form. The forms will be collected by the camp staff in San Pedro and returned to the group leader at the end of camp. This form does not require a physician’s signature. It is designed to provide basic information in case of emergency.

There are few rules in camp, but they are important ones. They will be reviewed as part of your orientation to camp when you arrive. We trust that you will enjoy our facilities, and take good care of the camp. Damages due to negligence or willful vandalism are the responsibility of the group.

THINGS TO BRING TO CAMP:

We are looking forward to your visit to camp, and hope that you are just as excited to get here! Before you embark on your voyage, please closely read the following important things to help you prepare to come.

To ease your boarding procedure on and off the boat, and due to limited space on the camp gear truck, please limit yourself to the following per person: sleeping bag, one day pack for carry-on items, one large duffle bag for everything else. If it won’t all fit, then you are probably bringing too much! Please mark your bags with your name and “CCV”. Also, tie a piece of red ribbon or yarn to your bags. This will make for easy identification when you arrive in Two Harbors.

Remember that this is camping and try to limit yourself to personal items you really need. Get back to basics and enjoy the “rustic life” of Cherry Valley. Many campers usually realize they have overpacked when they arrive in camp!

Due to boat transportation limitations and other concerns DO NOT bring the following items to camp:

1. Propane or liquid gas lanterns or stoves
2. Ice chests
3. Tents
4. Tarps or poles
5. Knives
6. Scuba gear
7. Pole-spears
8. Spear guns
9. Pets
10. Fireworks
11. Firearms
12. Alcohol or illegal drugs

Water on Catalina Island -
Please keep in mind that we are in a drought and Catalina Island is in stage 3 of a 50% cut in their water usage.

The bathrooms at camp have low flow fixtures to be in compliance with this increasing environmental issue.

Please be water wise while at camp!

HERE IS A LIST OF SUGGESTED ITEMS TO BRING TO CAMP:

- Swim suit
- Sleeping bag
- Jacket
- Short pants
- Long pants
- Socks
- Extra shoes
- T-shirts
- Long sleeve shirt
- Flashlight
- Water bottle
- Towel
- Toiletries
- Water shoes (closed toe, NO flip flops)
- Extra batteries for everything
- Hat
- Sun block
- Dinner and Campfire Costume—1849’er Miner/Cowboy outfit
- Skit for Pack to perform at Campfire Program

**NOTE:**
You will be hiking into camp upon your arrival at Catalina Island, please be prepared with the proper shoes.

No flip flops!

You will also need a flashlight for each person.

Please leave your valuables at home, we can not be responsible for lost or stolen items.

HERE ARE SOME OPTIONAL BUT NICE THINGS TO BRING TO CAMP:

- Snorkeling gear
- Camera and film
- Wetsuit (not allowed during swim check)
- Spending money
- Reading/writing materials

BOAT SERVICE TO CATALINA ISLAND:

We will make the boat reservations for your group, and will provide you with detailed information about departure and arrival times. The boat ride to camp is the first part of your adventure! You may see flying fish, dolphins, seals and other sea life, so keep your eyes open! Should any individuals in your group require travel arrangements different from the rest of the group, the additional cost is the responsibility of that party. Please let us know if this is anticipated.

YOUR TRIP TO CAMP:

All Scouts should travel to and from camp in their Field/Class A uniform.

When you arrive at the boat terminal, a staff member will be there to check you in. Parking costs approximately $18.00 per 24 hour period. You will be given directions from the boat crew regarding luggage handling and boarding. The crossing takes approximately 1 ½ - 2 hours, and is generally smooth and delightful. If you are prone to seasickness, please take appropriate measures.

Upon arrival in Two Harbors, camp staff members will be there to greet you. You will help take the luggage up the dock to the camp gear truck, where it will be driven to camp for you. Campers will hike into and out of camp. Please wear the appropriate shoes for this and have a flashlight for Friday evening. Campers that are not physically able to hike into camp can pay $12 per person to take a shore boat to camp. In either case, staff will be there with you to make sure you have a great arrival to camp.

When you get to camp, we will have a brief orientation and a light supper. Then you will be able to get your gear and get settled in your tent.

TELEPHONES:

We cannot take calls for campers in the camp office. In case of emergency, please feel free to use the camp business number: 310-510-2895. The answering machine is on 24 hours a day, in case there is no one in the office. Please leave the group name and the name of the person you wish to reach. We do have cellular service at camp.

CAMP STORE:

Camp has a small store which provides some light refreshments and souvenirs. Some items available may be sweatshirts (~$30), T-shirts (~$12-$16), candy and soda (~$2), handicraft kits, sunscreen, camp patches, etc. The store is open most weekends. Typically a camper will spend $20-40.

LEADERS:

Leaders will have an opportunity to sign up for classes on Saturday morning. There will be additional sign ups available for the Hike and Swim on Saturday morning as well as for Swim Checks/ Special classes for the Adults on Saturday morning.

DINING ROOM ETIQUETTE/MEALS:

There are sponges to wipe tables and brooms to sweep under and around your table. If you would like seconds, please hold on to your plate and take it up with you.

Please email SoniaGuerrero.Kagan@scouting.org with dietary needs, this information will be forwarded to the Program Director.

The facility has been redone with low flow water conservation in mind for the drought.
The Handicap bathroom is for adults and special needs.
All the bathrooms are marked for users: Men, Boys, Woman or Girls.
We encourage everyone to use their swimsuit in the showers, for this is a Scout camp.

**WATERFRONT:**
The waterfront area is closed to everyone until Lifeguards are present and there to open the area up. The waterfront will be open in the afternoon for swimming, snorkeling, and kayaking.
Everyone (adults and youth) will be asked to take the BSA swim test and issued a Buddy Tag to be allowed into the Aquatic program Area.

**EVENING PROGRAM ACTIVITIES:**
Saturday evening after dinner there will be games and scout skills with the staff. Our evening will end with a campfire program and you will have time to head back to your campsite for a jacket and flashlight before the Evening Campfire. If you have a skit you would like to have approved for the campfire, please check with the Program Director by dinner on Saturday.

**CAMP:**
There are private areas in camp, so no one is allowed to run up on the hillsides, or go on the two side roads, only use the middle path.
The Salina is a protected area, walking on it is NOT ALLOWED.
There are no predators on the island; however snakes are present, so stay out of the tall grass.

**A FINAL WORD:**
We are delighted that you will be coming to Cherry Valley. It is truly a unique and special place. It is our hope that you will want to come back often, for here you may find yourself renewed in ways you never thought possible. We are very proud of our staff. They are here to do everything they can to make your visit the best that it can be!
As always, if we can answer any questions, do not hesitate to call or email us!
