OUR CAMPS

Cabrillo Beach Youth Waterfront Sports Center, San Pedro, CA
Thanks to the generous support of legendary Hollywood icon, Stephen Spielberg and many other benefactors, Cabrillo was established as a premier aquatic facility. Today, Cabrillo provides unique aquatic adventures that teach water safety, rescue methods and build self-confidence in a safe learning environment. The Spielberg Center also provides a venue for Merit Badge weekends, campouts and serves over 21,000 youth and adults annually. The Greater Los Angeles Area Council is proud to partner with the City of Los Angeles Port Authority to deliver programs to the youth of our community.

Trask Scout Reservation, Monrovia, CA
Nestled away in Monrovia Canyon, Trask is only minutes from the hustle and bustle of city life. This 175-acre camp sits inside Monrovia Canyon Regional Park in the San Gabriel mountain range. The camp has a year-round stream which flows through the property and is a perfect setting for Family and Scout camping. Trask is equipped with a dining hall, trading post, swimming pool, boating lake, chapel, amphitheater, shooting sports facilities, and is ideal for Pack and Troop campouts. Camp Trask is home to Merit Badge weekends, Day Camps, Cub Scout Resident Camps, and Trail to Eagle sessions. Scouts can enjoy the swimming pool, Fort Rotary, the outdoor amphitheater, and the field sports facilities.

Camp Cherry Valley, Santa Catalina Island, CA
Established in 1921, Camp Cherry Valley has provided a life-changing camp experience to over one-million youth. Located on the legendary Santa Catalina Island, Camp Cherry Valley is renowned for its calm, crystal clear waters teeming with marine life for Scouts to discover. Cherry has the reputation as one of the most popular Boy Scout Camps in the western United States. Its quality program enables Scouts to explore marine sciences, snorkel, and SCUBA the vast underwater world, sail and enjoy the cool ocean breeze, trek the historic mountainous terrain, forge life-long friendships and create memories that will last a lifetime. The camp accommodates 312 campers each week during the summer camp season. This facility is available to you units.

Hubert Eaton Scout Reservation, Cedar Glen, CA
A 2000, acre camp in the beautiful mountainous terrain at over 5,300 ft., near Lake Arrowhead. Since 1950, Eaton has provided one of the highest-quality summer and winter camp programs for Scouts in the BSA. Within Hubert Eaton Scout Reservation there are three camps.

Camp Bighorn at Circle X Ranch - is home to our annual Boy Scout Summer Camp program and offers everything a Scout desires including: 41 different merit badges, a swimming pool, new shooting sports programs, hiking, fishing, zip lining, rock climbing, a full-service dining hall, and trading post, and a first class C.O.P.E. course (Challenging Outdoor Physical Education) for adventurous Scouts to test their skills. Camp Bighorn accommodates 450 youth per week during the summer camp season.

Camp Pollock - is the home to Winter Camp and our Outdoor Education program. Pollack offers tent camping, dorm lodging, lake activities, repelling, zip lining over the lake, a swimming pool, and a full-service dining hall equipped with a climbing wall inside. The camp is available for year-round use and is ideal for family camping and corporate team-building. The dorm lodging is great for family camping.

Camp Pepperdine - a low-impact, wilderness survival and outpost facility for advanced campers.

Firestone Scout Reservation, Brea, CA
Located in Tonner Canyon, Firestone Scout Reservation offers year-round camping and is the site for our annual Cub Rocket Academy, Boo Fest, Pumpkin Smash, Merit Badge weekends, Cub-land, STEM weekends, and is an incredible resource to our Scouting families. Over 10,000 campers use Firestone to enhance their annual programs for youth. Firestone is often where our many of our at-risk youth have their first camping experience. **Lion:** The Lion badge is earned after completing 6 required adventures. Each adventure takes about two meetings to complete. Lions meet twice a month, once for a den meeting and the second meeting for a den outing or a pack meeting. The youth will be recognized for completing an adventure by being awarded a sticker. After completing the requirements for the Lion badge, youth will be presented with a badge to be worn on their uniform.

**Bobcat:** (1st-5th grade): All children will earn the Bobcat badge first, by learning the Scout Oath and Law, handshake, salute, sign, motto, and the meaning of “Webelos.” After receiving the Bobcat badge, the youth work on requirements based on their grade level. With a parent or guardian, all Bobcats complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide.

**Tiger:** (1st grade): The Tiger badge is earned after completing six required adventures, and one Tiger elective adventure, which includes a family-based “Duty to God” adventure. It takes about three den meetings to earn each adventure. Immediate recognition is earned after each completed adventure (belt loop). With a parent or guardian, all Tigers complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age.

**Wolf:** (2nd grade): The Wolf badge is earned after completing six required adventures, and one Wolf elective adventure, which includes a family-based “Duty to God” adventure. **Bear:** (3rd grade): The Bear badge is earned after completing six required adventures, and one Bear elective adventure, which includes a family-based “Duty to God” adventure. It takes about three den meetings to earn each adventure. Immediate recognition is earned after each completed adventure (belt loop). With a parent or guardian, all Bears complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age.

**Webelos:** (4th grade): The Webelos badge is earned after completing five required adventures and two Webelos/Arrow of Light elective adventures, which includes “Duty to God and You.” Immediate recognition is earned after each completed adventure (pin). With a parent or guardian, all Webelos complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age.

**Cub Scout Family Program:** (BSA’s mission is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law. Our priority is to bring the benefits of Scouting to more youth while remaining true to our mission.

We are excited to announce beginning in 2018, our Cub Scouts program will be open to boys and girls. By welcoming both girls and boys into the program, even more youth will have access to the character development and values-based leadership that Scouting promises and be better prepared for future success.

**Arrow of Light:** (5th grade): To earn the Arrow of Light, the Scout must complete four required adventures and three elective adventures. When joining in the 5th grade year, a child is not required to earn Webelos first before earning Arrow of Light. Bobcat is still required. With a parent or guardian, all Arrow of Light Scouts complete the exercises in the pamphlet How to Protect Your Children From Child Abuse: A Parent’s Guide, and earn the Cyber Chip award for their age.

In a Scout’s 5th grade year, your child graduates from Cub Scouting into the adventure of Scouting at an impressive graduation ceremony. Every child deserves an opportunity to be a Scout.
Boys’ Life is Recommended
Youth’ Life Magazine has been around almost as long as youth have been Scouts. It is the only magazine especially designed for the Scout.

The mission of Boys’ Life magazine is to entertain and educate America’s youth and to open their eyes to the joyous world of reading. This is accomplished through a proven mix of news, nature, sports, history, fiction, science, comics and Scouting. A special edition is published for Cub Scouts, with age and program-specific content and feature articles.

Boys’ Life is an entertaining blend of exciting stories and valuable information. Youth like reading Boys’ Life. Parents can always be confident that the content of the magazine is wholesome, entertaining, and educational. Boys’ Life follows the Cub Scouting-recommended program themes each month. Boys’ Life subscribers achieve rank advancements faster and more often than nonsubscribers.

How To Get Started… Basic Needs
Contrary to what your child may tell you, the first thing they will need to get started is not a uniform, but a handbook. The handbooks in Cub Scouting are related to their age. A kindergartener will need a Lion Adventure handbook, a first-grader will need the Tiger handbook, a second-grader will need a Wolf handbook, a third-grader needs a Bear handbook, and a fourth or fifth grader will need the Webelos handbook. These handbooks contain the basics they will need for the coming year, especially the requirements for that particular advancement award.

Cub Scout Uniform
The uniform is an important part of the program and it represents an investment on your part. Our uniforms are of very high quality and, in most cases, will last for several years. So, be sure to buy one large enough for him/her to grow into.

If you can find an ‘experienced’ uniform in good shape, you can use that too. Many of these ‘experienced’ uniforms will be just like new and can be purchased for a very low cost.

Most new Cub Scouts will have to buy a uniform and staff at our Scout Shops can help get your Scout fitted and on his way in the right uniform.

Our council has three National Scout Shops located across our council, they are located in the following locations:

- **Cabrillo Scout Shop**
  3000 Shoshonean Rd,
  San Pedro, CA 90731
  (310) 832-7139

- **Los Angeles Scout Shop**
  2333 Scout Way,
  Los Angeles, CA 90026
  (213) 353-9879

- **San Gabriel Valley Scout Shop**
  3450 E Sierra Madre Blvd,
  Pasadena, CA 91107
  (626) 351-3638

Youth are encouraged to wear their uniforms to school on the day of their Scout meetings.
Why should I join Cub Scouts?

- Your child can learn skills about teamwork in sports and music. However, Scouting’s strength is that it provides a well-rounded program and your child works at their own pace.

- As a parent, you will enjoy joining your child in fun and constructive activities.

- When you serve as a leader, you are helping youth achieve their full potential.

How can I get more involved?

- Your child’s Pack cannot exist without your involvement on some level.

- You will find that the time you spend as an active Scouting parent will be quality time spent with your child.

- You will create cherished memories that last a lifetime.

- As parents, you have a short time to influence the life of your child. Scouting coincides with that time, so make the most of it!

How will we know what to do?

You have resources! The handbook provides terrific overviews of how the program works. In addition, your Pack has information and our Council will always answer questions. Visit our website for more information (www.glaacbsa.org) or call 213.413.4400.

What is the difference between a Pack and Den?

A Pack consists of many individual dens. Dens are formed by rank or grade. Typically, dens have six to eight youth.

What happens at the Pack meeting?

FUN! This is where the achievements of Scouts are recognized as they progress towards rank, where they can show off a little (games, songs and skits) and information is distributed to parents and Scouts.

How do I sign up to receive council information?

You can sign up for our E-Newsletter. You can safely remove your contact information at any time. We keep your information private.

I need more help!

Don’t worry! Bring your questions forward to adult leaders and continue to have fun with your child - things will fall into place! Call 213.413.4400 for any questions.
Training is an important part of learning to become an effective leader. The main purpose of training is to provide you with the tools you need to put on a quality program for the youth. Trained leaders are more effective in their roles and have a better understanding of available resources to provide an exciting and worthwhile program for their Scouts.

**Youth Protection Training**

The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. To maintain such an environment, the BSA developed numerous procedural and leadership selection policies and provides parents and leaders with resources.

Youth Protection Training is available online at My.Scouting.org and in each district throughout the year. In order for an adult to remain a registered leader in the Boy Scouts of America, Youth Protection Training is required every year.

**Position Specific Training**

Position specific training is designed to present in-depth information for a new leader in a specific leadership position such as Den Leader, Cubmaster, etc. This course may be presented several times a year in your district or online. To complete training courses online, go to My.Scouting.org and create an account.

Funding Scouting is a shared responsibility between the Pack, the Council and the family. It takes more than $8 million per year to ensure that the programs, properties, and personnel are in place to make Scouting the premier choice for youth and families in Los Angeles County.

**The Pack** – creates a budget to cover the expenses necessary to deliver a quality program for its members. Income sources include money-earning projects and family dues.

**The Council** – financial resources for the local council come from a variety of income sources. Each year the Council spends $250 per Scout and invites families to invest in Scouting to cover these costs.

**The Family** – members buy their uniforms, handbooks, personal equipment and typically pay their own camp fees. Family dues help defray Pack costs. Families are also invited to invest in the council operations by making an annual FOS donation. Participation in annual fundraisers can reduce out-of-pocket charges.

**Friends of Scouting (FOS)**

As a nonprofit organization, the Boy Scouts of America relies upon the generosity of charitable donations from families like yours to support its ongoing operations. Each gift, regardless of size, provides invaluable funding for BSA programs that benefit Scouts across our council boundaries. Each year a personal appeal is made to parents and leaders.

**A Scout is Thrifty and Earns Their Own Way**

The Council conducts two money earning projects annually for Packs to help reduce costs to families.

---

**Popcorn Sale**

Scouts can earn great prizes, be invited to special events, and receive college scholarship money for being top sellers by selling gourmet popcorn products exclusive to Scouting. The sale runs September to November. [Click here](#) for more information.

**Camp Cards**

Scouts sell discount cards with coupons from local businesses. Commissions earned on the sale help Packs reduce costs to the family including camp fees. Every Scout deserves to benefit from a summer camp experience. The sale runs from February to June. [Click here](#) for more information.
