You bring your camping gear (tent, sleeping bags, etc.) and cook your own meals.

All purchased rockets will be made available for unit pick up at the March District Roundtable meeting; each unit will have a bag/box of rockets for them to pick up and distribute at their next Pack meeting. There will be instructions in the package with assembly directions for Cub Scouts and Webelos to follow and get their rocket built and ready for launch day. ****PLEASE NOTE THAT WE WILL ONLY SELL AND LAUNCH 500 ROCKETS EACH SESSION****

It is our goal at Rocket Academy to provide every youth an exciting and educational experience of building and launching their own rocket. Because of the increased demand, and limited number of supplies, we will not be selling rockets to adults, instead we are inviting them to assist their child with their rocket.
