2020 Cub Games and Family Campout

March 20-22, 2020

Firestone Scout Reservation

It’s time to plan your 2019-2020 Program Year end finale with this highlight event for your Cub Scout Pack and their families at the annual Cub Games and Campout. Whether you finished your current rank requirements or not, this event is for you!

This year’s Cub Games and Campout is a weekend filled with fun, games and exciting activities for Webelos, Cub Scouts and their families. The event will provide your scouts with a great sense of accomplishment when they use what they’ve learned to compete as a Pack to achieve recognition awards by doing their best in a variety of planned activities.

While having fun camping, playing, decorating their “superhero base” (aka campsite), and interacting with local scout troops and scouts from other packs, your scouts will also make new friends and capture many great memories with family and friends at this event.

Registration on Doubleknot opens December 23, 2019 – so please keep your laser vision alert!

The emphasis is on backpacking but it is generally applicable to all types of outdoor activity. This is the next step beyond the camp-craft skills that are covered in Outdoor Leadership Skills (OLS).

You will need to select and take a weekend backpack trip (5-7 miles, round-trip, in the local mountains) from among several to be offered in March and April and led by the GLAAC-HAT Staff. Each person is responsible for providing his/her own clothing and equipment. An Adventure Pass for your vehicle is required at many of these locations.

Completion of this training is recognized by the award of a special patch.

Hike Aid 3, “Full Dimension High Adventure Training”, has a complete discussion of the training programs of the GLAAC-HAT. It may be downloaded from the Council High Adventure website at http://glaac-hat.org/HikeAids.html. Questions about any of them are to be directed to Michael Schlaifer; Vice ChairTraining: (213)247-8808 (C); e-mail, michael@schlaifer.com.

QUESTIONS:
Craig Triance, Course Director, at (714) 474-1652; e-mail, craigtriance@gmail.com

Camping and hiking are fun. Developing the skills and learning safe and courteous practices are a necessary part of these activities. This most effectively occurs when it is the Scout lead Unit that provides the instruction.

While the emphasis is on backpacking, it is generally applicable to all types of outdoor activity.

A syllabus that covers the materials discussed will be given to each participant.

Hike Aid 3, “Full Dimension High Adventure Training”, has a complete discussion of the training programs of the GLAAC-HAT. It may be downloaded from the Council High Adventure website at http://glaac-hat.org/HikeAids.html. SCOUT ME IN

CS19 Cub Scouting

The new Cub Scouting position training is now available. There are three sections to each position training: Before Your First Meeting, Before Your First Outdoor Adventure, and Earning Your Trained Patch. Completion of these three sections for the positions of Den Leader and Assistant Den Leader, Cubmaster and Assistant Cubmaster, Pack Committee Member, and Pack Committee Chair meets the requirement to be position specific trained and entitles you to wear the trained patch below your position patch. Modules have been updated with the current Cub Scout program, time to complete modules has been greatly reduced, and once a module is completed for one position it also counts for other positions in Cub Scouting. For example, a volunteer who completes position specific training for Den Leader and then becomes Cubmaster only has to take one 12 minute module to be position specific trained as Cubmaster.
