“A Scout is never taken

what to do when anything
unexpected happens.”

— Robert Baden-Powell
Scouting Founder
Dear Friends,

The Good Character Gala celebrates the leadership of community leaders and raises funds to support the outreach programs of the Greater Los Angeles Area Council, Boy Scouts of America. It is our honor to recognize two outstanding community leaders, Los Angeles County Supervisors Kathryn Barger and Mark Ridley-Thomas.

Supervisor Kathryn Barger, who represents the 5th District, is an advocate for the environment and efforts to preserve open space, enhance parks, trails, recreational programs and facilities, as well as libraries and after-school programs to serve local communities. Supervisor Mark Ridley-Thomas, who represents the 2nd District, is widely regarded as the foremost advocate of neighborhood participation in government decision-making by virtue of his founding of the Empowerment Congress. Both of our honorees truly exemplify the qualities embodied in the Scout Oath and Law.

The Greater Los Angeles Area Council serves one of the largest and most diverse populations in America. Our youth come from a wide range of ethnic, cultural and socio-economic backgrounds. Many of our youth live at or below the poverty line. The proceeds from this evening’s Gala will enable us to sustain and create opportunities for all youth and their families to join Scouting’s character-building program.

On behalf of the Board of the Greater Los Angeles Area Council, the 2019 Gala Committee, and our 31,000 Scouts and 10,000 volunteers, we salute our honorees for their considerable contributions to our community. We gratefully acknowledge our generous sponsors for their support of our 2019 Good Character Honorees and of Scouting. Together, we are helping to build a stronger community and prepare our youth to become the leaders of tomorrow.

Yours in Scouting,

Supervisor Kathryn Barger proudly serves the residents of Los Angeles County’s 5th Supervisorial District — the County’s largest — spanning 2,800 square miles, which includes 22 cities and 70 unincorporated communities in the San Gabriel, San Fernando, Crescenta, Santa Clarita and Antelope Valleys.

Committed to keeping our neighborhoods and communities safe, she has worked with state and federal leaders and our county district attorney, sheriff, and other law enforcement agencies to implement tough laws and vital public safety initiatives. She is an advocate for the environment and efforts to preserve open space, enhance parks, trails, recreational programs and facilities, as well as libraries and after-school programs to serve local communities. During the course of her County career as chief policy adviser on health, mental health, social services and children’s issues, Kathryn ensured efficient and effective services and programs to significantly improve the quality of life for foster children, seniors, veterans, and those with disabilities and mental illness.

Dedicated to providing effective, responsive representation to the residents of Los Angeles County, Kathryn began her career in public service as a college intern in the office of Supervisor Michael D. Antonovich and rose to become his chief deputy in 2001, where she served until her election to the Board of Supervisors in November 2016.

Kathryn was born and raised in the 5th District and comes from a family with deep roots in public service in Los Angeles County. She is married to a retired sheriff’s deputy and lives in the San Gabriel Valley. With a strong sense of fiscal responsibility, Kathryn is dedicated to providing vital county services while protecting financial resources as a responsible steward of taxpayer dollars.
Since he was overwhelmingly elected in 2008, and reelected in 2012 and 2016 to the Los Angeles County Board of Supervisors, Mark Ridley-Thomas has distinguished himself as an effective leader for more than two million Second District residents. Supervisor Ridley-Thomas authored and led LA County’s effort to end homelessness through Measure H. He is a board member of the Los Angeles County Metropolitan Transportation Authority, the Los Angeles Memorial Coliseum Commission and LA Care, the nation’s largest publicly operated health plan.

Prior to his election to the Board of Supervisors, Supervisor Ridley-Thomas served the 26th District in the California State Senate where he chaired the Senate’s Committee on Business, Professions and Economic Development and also served as Chair of the California Legislative Black Caucus in 2008.

Mark Ridley-Thomas was first elected to public office in 1991 and served on the Los Angeles City Council for nearly a dozen years, departing as Council President pro Tempore. He later served two terms in the California State Assembly, where he chaired the Jobs, Economic Development, and Economy Committee Assembly Democratic Caucus. His legislative work addressed a broad range of issues with implications for economic and workforce development, health care, public safety, education, budget accountability, consumer protection and civic participation.

Supervisor Ridley-Thomas is widely regarded as the foremost advocate of neighborhood participation in government decision-making by virtue of his founding of the Empowerment Congress, arguably the region’s most successful 27-year initiative in neighborhood-based civic engagement. Ridley-Thomas’ political career was preceded by a decade of service as the executive director of the Southern Christian Leadership Conference of Greater Los Angeles (1981-1991).

The Supervisor graduated from Manual Arts High School (Class of 1972) and then earned BA and MA degrees along with secondary and adult education credentials from Immaculate Heart College. Supervisor Ridley-Thomas went on to receive his Ph.D. in Social Ethics from the University of Southern California focusing on Social Criticism and Social Change.

He is married to Avis Ridley-Thomas, Co-Founder and Director of the Institute for Non-Violence in Los Angeles. They are the proud parents of Sinclair and Sebastian, both ‘Morehouse Men.’

He was selected by the Navy to act as the technical advisor and Navy liaison for the motion picture “Top Gun.” John has been involved with the Greater Los Angeles Area Boy Scouts for almost 20 years, serving on the Board and Executive Committee. In 1997, he received the Distinguished Citizen Award.

In 2004, John led the $11 million Capital campaign to build the Cushman Watt Scout Center. In 2007, John received the Silver Beaver Award from the Los Angeles Area Council. Recipients of this award are registered Scouters who have made an impact on the lives of youth through service given to the Council.

John is extremely active in community and charitable organizations. He currently serves on the Board of Directors of the Civic Alliance, the Los Angeles Sports and Entertainment Commission, the Los Angeles Metropolitan YMCA, and the US Naval Academy Foundation Board of Trustees. He is also the Co-Founder of The Land of the Free Foundation. John understands the powerful impact that Scouting has had on his life, his career, his family and the youth in his community.

*Multiple Projects*
Step One: Secure Funding. Starting with his own personal commitment, Captain Brockway and his detectives provided financial support for local Cub Scout Packs and Scouts, BSA troops. Their gift sponsored kids to go to camp, buy uniforms and earn awards. Even more important, their contribution showed the parents and community that they were invested.

For over 100 years, the Los Angeles Police Department and Greater Los Angeles Area Council BSA have provided programs for urban youth in the City of Los Angeles.

Recently, Captain Brockway of the LAPD’s South Bureau Homicide Division was looking for opportunities for his detectives to continue the tradition of supporting local urban youth. A fortuitous meeting with fellow USC Alumnus and Boy Scout employee Hannibol Sullivan gave him an idea. Captain Brockway asked how to engage more youth in the Scouting program in South Los Angeles (the community he serves). When told it would take more local community organizations partnerships and funding to sponsor, support, and start new programs, Captain Brockway and Commander Al Labrada formed a game plan.

The Greater Los Angeles Area Council, BSA builds upon the strengths of youth in underserved markets and increases positive youth development by reducing barriers to participation. Our Scoutreach initiative is a family-based program that ensures all youth, regardless of backgrounds and socio-economic status, have a high-quality Scouting experience. Support may include uniforms, registration, program materials, program and summer camp fees, transportation, program mentorship and adult leadership.

Scoutreach is more than placing a program in a community. It is planting roots within communities, creating vested leaders interested in positive youth development.

SCOUTREACH
BREAKING DOWN BARRIERS TO SERVE MORE YOUTH.

For over 100 years, the Los Angeles Police Department and Greater Los Angeles Area Council BSA have provided programs for urban youth in the City of Los Angeles.

Recently, Captain Brockway of the LAPD’s South Bureau Homicide Division was looking for opportunities for his detectives to continue the tradition of supporting local urban youth. A fortuitous meeting with fellow USC Alumnus and Boy Scout employee Hannibol Sullivan gave him an idea. Captain Brockway asked how to engage more youth in the Scouting program in South Los Angeles (the community he serves). When told it would take more local community organizations partnerships and funding to sponsor, support, and start new programs, Captain Brockway and Commander Al Labrada formed a game plan.
**Step Two: Recruit Community Partners.** Captain Brockway and Commander Al Labrada solicited input from South Bureau Homicide detectives and Community Safety Partnership sergeants and officers to identify potential community partners that would host new Cub Scout packs and Scouts, BSA troops. The team recruited Scouts from existing troops to attend LAPD youth functions and promote Scouting. As a result, they found 10 new schools and churches who welcomed Scouting into their communities.

With Brockway and Labrada’s support and leadership, the Council started new Scouting programs at 116th Street and 107th Street Elementary Schools, Holmes Avenue School, and Nickerson Gardens Housing Community. Over 100 youth will have an opportunity to experience the joys of Scouting. Winter Camp, Scout Basketball Days at Loyola Marymount University and University of Southern California, and the pinewood derby are just a few of things they will experience in the next 60 days.

**Step Three: Get Involved.** In their spare time, LAPD’s detectives, sergeants and officers are out in the community to help Scouting. Whether it’s teaching at a merit badge day, sitting on a character board, or coming out to troop meetings to show support of the program, they show up to help. Captain Brockway also visited our high adventure camp at Hubert Eaton Scout Reservation near Lake Arrowhead to learn more about the outdoor program, and he spoke at the Western Region Scout Conference to testify why Scouting is needed in communities like South Los Angeles.

Together, Scouting and LAPD believe that if you can get a child involved in positive youth development programs at a young age, they have a better chance of becoming productive citizens, and will ultimately make their community a better place to live.
YOUR SCOUTING LEGACY

Thank you for joining us in our mission to build tomorrow’s leaders today.

Thanks to the generous support of our alumni, volunteers and donors, Scouts today enjoy outstanding high-adventure experiences embedded in the values and principles of the Scout Oath and Law. Because of you, our youth develop strong leadership and character that positively transforms our communities. Last year, the Boy Scouts of America (BSA) expanded its Cub Scout and Boy Scout programs to include girls. This welcome change opens Scouting’s iconic leadership and character-building programs and provides an equal opportunity for all children to earn Scouting’s highest rank, Eagle Scout.

For decades, females have been participating in other BSA programs, namely Scouting’s high-adventure Venturing program and work force development Exploring program. As a result of these recent changes, the full family of BSA’s leadership and character-building programs are now available to all youth.

The initial response to BSA’s new inclusive Family Scouting program has been outstanding. To date, over 144,000 girls across the nation have joined the BSA Scouting programs. Locally, over 300 girls ages 11 – 17 have joined 26 new all-female Scouts BSA troops. In addition, we have over 460 girls (ages 5 – 10) in 77 Family (co-ed) Cub Scout packs.

Thank you to all our new Scouts BSA Scoutmasters who are blazing the trail to welcome girls and young women into Scouting! We are grateful for your leadership and dedication to ensure all youth have an opportunity to join our Scouting family.

To our good friends Dr. Paul & Janell,

For so many wonderful years, we have traveled over the Alps, enjoyed wonderful meals, celebrating birthdays, celebrated the lives of our lost friends, established traditions, supported each other through our challenging and fulfilling times.

You have been there to take care of our health, be a part of our celebrations, weddings, graduations, and presenting Dr. Nikkie her white coat.

You two are so special to all the Tomblin family, and we are so grateful and blessed to call you our friends.

Congratulations to both on your recognition of many years of supporting our Scouting movement.

Thank you both for being there.

Until our next time of being together...

With love,

The Tomblin and Barton Families

SECOND CENTURY SOCIETY MEMBERS

THE GREATER LOS ANGELES AREA COUNCIL, BOY SCOUTS OF AMERICA

Is Proud To Salute

DR. R. PAUL ST. AMAND AND JANELL ST. AMAND

After service in the U.S. Navy, Dr. Paul St. Amand graduated from Tufts Medical School and came out to Torrance, CA to begin his residency at UCLA-Harbor General Hospital. From there he opened his practice, with partners, in Inglewood CA. They then built the Marina Medical Center in Marina Del Rey in the late 1960’s. He has, and continues to practice there, ever since. Dr. Paul is credited to be the utmost international expert and a recognized as a identifier of the disease, Fibromyalgia. He has authored many books on the disease and has spoken nationally and internationally on the condition. He was recognized in Europe by his associate doctors recently on the subject and his work and research. Dr. Paul and his wife, Janell, have established a chair and scholarships in their names at Tufts Medical School.

Paul’s extensive involvement with the Boy Scouts started in the South Bay District when District Executive Sonny Hayes asked Dr. Paul to be a finance chair. From there, he became District Chairman, served on a number of council committees, was Council Commissioner, and then served as President of the then Los Angeles Area Council in the 1980’s. He has been active continuously with the Scouts for over 50 years in various capacities and roles. Dr. Paul, a recipient of the BSA Silver Beaver Award, has served on the Executive Board of Directors for the Greater Los Angeles Area Council, BSA, since 1967.

Paul’s proudest moment was to receive his Distinguished Citizen Award. This award was to recognize his Good Scouting Work. The Bronze hangs on the wall of the Cushman Watt Scout Center, and proudly in his home. Dr. Paul never skipped a moment to promote his love of Scouting to his patients and friends who he recruited to be involved in scouting. Ray Watt, Richard Alonzo, many executives from KMFG, Hughes, Raytheon North American, as well as his son Daun St. Amand and his son in law Jay Gallagher, are all his recruits to the Scouting program. Dr. Paul was very instrumental, and the main point person, in securing the major gift from Ray Watt for the Cushman Watt Scout Service Center building.

Besides his involvements in Boy Scouts, Dr. Paul was an active member of Kiwanis and was District Governor of the Kiwanis South Bay District.

He and Janell have been married over 39 years. Janell has been supportive of Paul in his Scout work and has also been a true supporter of the Scouts with her time, talent and treasures. They have four very successful children and of course are proud grandparents, one grandson being an Eagle Scout.
SECOND CENTURY SOCIETY MEMBERS

The Second Century Society was created in 2010, after the 100th anniversary of Scouting. It recognizes outright and deferred gifts to BSA entities, such as local councils, high adventure bases, World Scouting, the Order of the Arrow, and the Foundation. Second Century Society donors are recognized for gifts starting at $25,000. The BSA is also proud to recognize our Lifetime Investors. These are donors whose cumulative gifts to Scouting – locally or nationally – exceed a minimum of $500,000, and often much more. The long-term support and vision of these individuals, corporations and foundations form the cornerstone for growth in the Boy Scouts of America, and for service to the youth of our nation.
