## **“Fun with a Porpoise”**

### **July 2020**

Scouters can “Ask Artie” questions that are on their minds by posting a note at Roundtable, asking your Unit Commissioner, or emailing District Commissioner Nancy Hodgkiss at [nancy.hodgkiss@pacificabsa.org](mailto:nancy.hodgkiss@pacificabsa.org).

#### **Can we start meeting in person?**

No. In the interest of keeping our Scout families safe, and to comply with County Health Orders that prohibit gatherings, units cannot hold in-person activities. The Council's re-opening plans are laid out on our Scouting at Home [website](#). Conditions may allow small unit groups to meet in early August, but re-opening protocols will include required leader training, which has yet to be released. You should defensively plan to continue with virtual programming well into the fall.

#### **How do we check on our refunds from cancelled Council events?**

Email the receipt from the cancelled event to [Charlie.wilson@scouting.org](mailto:Charlie.wilson@scouting.org) to receive a status report

#### **Our unit owes registration fees to Council. Is there a way to pay online?**

Yes! Use the Council fee payment website at <https://www.glaacbsa.org/FeePayment> to pay any registration fees owed.

#### **I have two member numbers and my training isn't synching. Do I have to take training all over again?**

Fortunately, you don't need to re-train. To make sure your training records are synced, add your second member ID in My.Scouting/Merge Member ID. Set it to your primary number, then re-set the original number to primary. By switching back and forth, the system should synch within 48 hours. If you still have trouble, contact your Commissioner.

#### **Artie, where do dolphin races end?**

Dol-phinish line!

**Sea you next month!**
