

## EAGLE SCOUT RANK AGE EXTENSIONS

Some months ago, councils were given the temporary authority due to the current pandemic situation, through September 30, 2020, to grant Eagle age extensions for 3 months.

These extensions could be granted only in situations where it can be established that COVID-19 disruptions were the only circumstances that delayed work on Eagle Scout/Summit/Quartermaster advancement requirements, such as the service project or merit badges. Extensions for Eagle are only granted to youth who have already achieved Life rank.

Now we (our council) has been given the authority for any extension granted under this temporary authority on or before June 30, 2020, to grant an additional extension of up to 3 months upon receiving another request.

We are instructed to also remind Scouts/Venturers/Sea Scouts receiving extensions who need the time to complete their Eagle/Summit/Quartermaster Service Projects to consider making changes to the Projects, including possibly changing Projects, so they can be completed by the new deadline.

Unit leaders should insure that upon turning 18, the Scout must submit a completed adult application and successfully complete YPT; their participant code will now be UP for Scouts BSA or VP for Venturing and Sea Scouting.

Under this temporary authority, the Eagle age extension form ([Click here](#)) should be completed and sent in a timely manner to your district Advancement Chair for processing in our council.
