Council Plan for COVID-19 Reopening

In the coming months, we will slowly resume in-person meetings and Scouting activities, provided they follow all State of California, City & County, and CDC guidelines in response to COVID-19. The Council will provide updated guidance when the County provides us with authorization to proceed.

Online “virtual” Pack and Den Meetings, Patrol and Troop meetings are permitted under COVID-19 rules. Boards of Review over the phone or video conferencing, merit badges delivered online, webinar training for leaders, and virtual Roundtables and District meetings continue to be an effective part of Scouting.

The Council believes that safety comes first. These guidelines must be viewed in the context of current State and County Health orders. Council guidelines should not be interpreted to supersede any health orders. Please check our website www.glaacbsa.org for the latest guidelines as this is an evolving situation and these guidelines are subject to change.

Council Re-Opening Calendar of Initial Events

July 8 – Reopening of Los Angeles, Pasadena, and Cabrillo Scout Shops (not Service Centers)

July 10 – Trask Day Programs and Trail to Eagle Merit Badge Program

July 20 - August 7 – Cub Scout Day Camp Virtual Programs (Wolf/Bear/Webelos)

TBD – Camps open for day activities – Hiking, biking, day camps.

October 1 (tentative pending State/local approval) – Group meetings with face masks and distancing.

October 17-18 and either October 24-25 or November 14-15 – IOLS training at Trask and Cabrillo
