

## SSL! / The Greatest Scout Camp In The World Contest

[ScoutSaturdayLive.org](http://ScoutSaturdayLive.org)

Greetings!

Scout Saturday Live's "*Greatest Scout Camp In The World*" contest voting is now closed. 1,347 Scouts from around the world submitted their nominations for the greatest Scout camp in the world. A total of 284 camps from 14 countries were nominated.

I am THRILLED at the incredible response to this contest!

As mentioned in my original email below, the purpose of this contest is to spotlight Scout camps, particularly after a summer when most camps worldwide were closed due to the COVID-19 pandemic. We want to do our part to remind Scouts about their favorite camps, and get them excited about going back!

**THE TOP FIVE CAMPS that received the highest number of nominations, will be announced on the upcoming episode of Scout Saturday Live! on Saturday, October 10th. Is YOUR camp one of the top five?**

Almost immediately after the October 10th show broadcasts, the contacts I have for the top five camps will be sent an email to outline the next steps. In a nutshell, I will be arranging for a Scout to be a guest Host on an upcoming episode of the show in order to feature the respective camp. It is my goal for that Scout to do some filming at their respective camp. The Scout I will use for these camp segments will be one of the Scouts who nominated the respective camp.

Each of the top five camps will be highlighted in a segment on an upcoming episode of Scout Saturday Live!, with the final result being the crowning of the Greatest Scout Camp in the World, as well as awarding the prize for a Scout to win a camp session at one of the top five camps (based on geographic location).

Keep an eye on the Show's Facebook page (as well as post shares that I will send out) in promotion of the October 10th episode and the big announcement of the top 5 camps.

Please do not hesitate to contact me should you have any questions or require additional information.

Thank you ALL for everything you do for Scouting. and GOOD LUCK!

Yours in Scouting,

Jeff Rudner, Creator & Executive Producer (volunteer)
