

FIRESTONE LOVE RIDE

Join us on Saturday, February 13 for a bike ride with someone you love. This event is for Cub Scouts, Scouts and their families. The ride is \$10 per person and we ask that everyone bring their own bike, all necessary safety equipment, lunch, water and a blanket to sit on. There is no limit to the amount of "people you love" to ride with.

For Scouts:

Scouts and their families will arrive at 9am and ride 4 miles from our "New Campsite" to our "Loma Linda" campsite. There, all participants will have a designated socially distant area to eat their lunch. After two hours, riders will then ride 4 miles back to their vehicle.

For Cub Scouts:

Cub Scouts and their families will arrive at 10 am and ride 1.5 miles from our "New Campsite" to our "OA" campsite. There, all participants will have a designated socially distant area to eat their lunch. After two hours, riders will then ride 1.5 miles back to their vehicle.

Do you want to shoot some love into the air like Cupid? For only \$5, you can shoot five arrows at a paper heart. If you hit the heart, you win a prize!

Registration will be conducted via Tentaroo. Due to the pandemic and our limited capacity, space is limited. If you have any questions or concerns, please contact Camp Ambassador Mark Lopez at firestonebsa@gmail.com or (626)417-8541.
