### ABOUT CAMP CHERRY VALLEY:

As of 3/5/21

Camp Cherry Valley was established as a Scout Camp in 1923 at the suggestion of the Island owner, the chewing gum baron, William Wrigley. The Camp is now leased from the Island Conservancy that the Wrigley's created to help preserve the natural beauty of the island for generations to come. Our NCAP accredited camp prides itself in offering positive youth activities and character development in a unique ocean front environment. Scouts and parents initially arrive by boat at the rustic village of Two Harbors, just a short one-mile hike from the camp.

### YOUR ROLE AS GROUPLADER:

Your job is especially important to your group. Starting right now, please share the information in this booklet with everyone who will be coming to Cherry Valley. There is important information here! If you or members of your group have any special needs or concerns, please let us know right away. We can accommodate almost everyone, especially if we have enough advance notice to pre- pare! It is important to remember that at least two adults must accompany each group. Beyond that, we have found that an ideal ratio is at least one adult per 5 youth.

### CAMPING AT CHERRY VALLEY:

You will be camping in tents beneath a unique grove of cherry trees. The tents are platform tents, with two beds per tent. Tents are approximately 7' at the peak, and easily accommodate large adults (kids, too!). Nearby are restrooms and hot showers.

We offer a full-service dining hall, with the best meals on Catalina Island! You will be pleased to see that our meals are plentiful, healthy and very tasty!

We provide everything you will need for a great experience at camp, except for your personal gear. Here is a listing of some of the things available to you at Cherry Valley:

Swimming	Patch Trading	Kayaking	Hiking
Snorkeling	Archery	BB Range	Evening
Sea Lab	Campfire Programs	Scout Skills	Nature Walk
Just plain relaxing and enjoying the beauty of the Island!

MEDICAL FORM: <http://www.scouting.org/scoutsources/healthandsafety/abmr.aspx>

## HEALTH AND SAFETY:

The first level of responsibility for health and safety in camp is with the adult members of the group. After that, our camp staff is trained in basic first aid and CPR. Should more extensive help be needed, Los Angeles Lifeguard Paramedics are available, with a response time for arrival in camp of approximately twenty (20) minutes. Avalon Hospital is available in needed. It takes about two (2) hours to drive to Avalon Hospital, and about one hour by boat. In extreme emergencies, helicopter transportation can be used to fly patients to mainland hospitals. All medical and related costs will be the responsibility of the person requiring care.

**Everyone (youth and adult) coming to camp must bring with them a completed Medical Form Part A and B (link to form at the bottom of this guide). Part A of the form signed will provide permission for BB's, Archery and Photo/film release.** It is the responsibility of the group leader to make sure that everyone has a completed form. The forms will be collected by the camp staff in San Pedro and returned to the group leader at the end of camp. This form does **not** require a physician's signature. It is designed to provide basic information in case of emergency.

**COVID- 19** protocols will be implemented. You will be sent an update prior to arriving at camp.

## PRE- CAMP SAFETY WEBINAR, Mandatory:

Two offerings of our MANDATORY 30 minute Camp Safety and Orientation Webinar will be presented on Friday Sept 10<sup>th</sup> at 7:00pm and Saturday Sept 11th at 9:00am.

## THINGS TO BRING TO CAMP:

We are looking forward to your visit to camp, and hope that you are just as excited to get here! Before you embark on your voyage, please closely read the following important things to help you prepare to come.

To ease your boarding procedure on and off the boat, and due to limited space on the camp gear truck, please limit yourself to the following per person: sleeping bag, one day pack for carry-on items, one large duffle bag for everything else. If it won't all fit, then you are probably bringing too much! Please mark your bags with your name and "CCV". Also, tie a piece of red ribbon or yarn to your bags. This will make for easy identification when you arrive in Two Harbors.

Remember that this is camping and try to limit yourself to personal items you really need. Get back to basics and enjoy the "rustic life" of Cherry Valley. Many campers usually realize they have over-packed when they arrive in camp!

### Due to boat transportation limitations and other concerns

## BOAT SERVICE TO CATALINA ISLAND:

We will make the boat reservations for your group, and will provide you with detailed information about departure and arrival times. The boat ride to camp is the first part of your adventure! You may see flying fish, dolphins, seals and other sea life, so keep your eyes open! Should any individuals in your group require travel arrangements different from the rest of the group, the additional cost is the responsibility of that party. Please let us know if this is anticipated.

Boat check in at the Queen Mary parking lot is Friday at 3:15pm.

## YOUR TRIP TO CAMP:

**All Scouts should travel to and from camp in their Field/Class A uniform.**

Please plan to arrive an hour before the boat departure. Parking costs approximately \$25.00 per 24-hour period. On arrival each Pack is to turn in Medical Form Part A and B for each participant. A health review and temperature check will be conducted for each participant. You will receive an information packet at the Golden Nugget reception table. You will be given directions from the boat crew regarding luggage handling and boarding. The crossing takes approximately 2 hours, and is generally smooth and delightful. If you are prone to seasickness, please take appropriate measures.

Upon arrival in Two Harbors, camp staff members will be there to greet you. You will help take the luggage up the dock to the camp gear truck, where it will be driven to camp for you. Campers will hike into and out of camp. Please wear the appropriate shoes for this and have a flashlight, light jacket and water bottle for Friday evening. Campers that are not physically able to hike into camp can pay \$7 per person to take a shore boat to camp. In either case, staff will be there with you to make sure you have a great arrival to camp.

When you get to camp, we will have a brief orientation and a light supper. Then you will be able to get your gear and get settled in your tent.

On Saturday morning your Pack Leader will sign up their participants for the Swim Checks, Activities and Adventures!

## TELEPHONES:

We cannot take calls for campers in the camp office. In case of emergency, please feel free to use the camp business number: 310-510-2895. The answering machine is on 24 hours a day, in case there is no one in the office. Please leave the group name and the name of the person you wish to reach. We do have cellular service at camp.

## CAMP STORE:

Camp has a small store which provides some light refreshments and souvenirs. Some items available may be sweatshirts (~\$30), T-shirts (~\$12-\$16), candy and soda (~\$2), handicraft kits, sunscreen, camp patches, etc. The store is open most weekends. Typically, a camper will spend \$20-40.

## LEADERS:

Leaders will have an opportunity to sign up for classes on Saturday morning. There will be additional sign ups available for the Hike and Swim on Saturday morning as well as for Swim Checks/ Special classes for the Adults on Saturday morning. Please note that Health Guidelines for September 2021 may require that participants are assigned to "Pods". In this case we will pre select the activities for each group.

## DINING ROOM/MEALS:

Meal service and dining will be in accordance with local and state health ordinances for COVID-19. We ask that everyone help keep your eating area clean and follow proper hand washing technique.

When registering, please indicate if anyone in your party has a food allergy or sensitivity. If we know prior to registration closing, accommodations can be made.

### **Water on Catalina Island -**

Catalina is a desert island and always in a state of water conservation.

The bathrooms at camp have low flow fixtures to be in compliance with this increasing environmental issue.

**Please be water wise while at camp!**

### **BATHROOMS:**

The facility has been upgraded with low flow water conservation in mind for the drought. The Handicap bathroom is for adults and special needs.

All the bathrooms are marked for users: Men, Boys, Woman or Girls.

We encourage everyone to use their swimsuit in the showers, for this is a Scout camp.

### **WATERFRONT:**

The waterfront area is closed to everyone until Lifeguards are present and there to open the area up. The waterfront offers swimming, snorkeling, and kayaking.

Everyone (adults and youth) will be asked to take the BSA swim test and issued a Buddy Tag to be allowed into the Aquatic program Area.

### **EVENING PROGRAM ACTIVITIES:**

Pending COVID-19 Guidelines- Saturday evening after dinner there will be games and scout skills with the staff. Our evening will end with a campfire program and you will have time to head back to your campsite for a jacket and flashlight before the Evening Campfire. If you have a skit you would like to have approved for the campfire, please check with the Program Director by dinner on Saturday.

### **CANCELLATION POLICY:**

Up until 30 days prior to camp, refund is 75%. Less than 30 days prior to camp no refund is provided with the balance in full due. Call Camping Support 213-718-5968 .
