## **“Wild, Wild West!”**

### Cub Twilight Camp

Camp Trask  
2022

June 20-24

Cub Twilight Camp is designed to bring the camping experience to the Cub Scout while accommodating the busy schedule of Parents/ Guardians/ Den Leaders. Cub Scouts get to experience a variety of activities over a five-day period doing such things as:

Handicrafts  
Scout Skills  
Sling Shots

Games  
Scouting Spirit  
Treasure Hunt

Aquatics  
(as available)  
Archery

Nature Programs  
BB Guns  
and More!

Our theme this year is **“Wild, Wild West!”**. The purpose of any BSA Cub Day Camp is to provide a FUN Cub environment designed to promote the Scouting Values in an outdoor setting as well as getting them excited about Scouting this Fall. Each Camper will be assigned to a temporary Den for the week along with other Campers from their same Pack or similar age group. Information on Cub Adventure completions will be distributed at the end of Camp. Also, by attending a summer program like Cub Twilight Camp, Cubs can help their Pack win the National Summertime Pack Award!

We will be strictly adhering to all **COVID** guidelines at the time of your child’s camp. Check your email for updates as we closer to the week of camp.

## **Adults Stay for Free**

We welcome any Adult Parent/ Guardian to spend the evening with us free of charge. There will be a special Guest Speaker program at 5 PM for the Adults. Come learn more about Scouting in your area from your District and Council

representatives. While at camp, feel free to check in on your Cub to take photos or to give them a “High Five!”. We do ask that every Adult who is staying on campus to provide us with a copy of their current Youth Protection Training. This training is open to anyone at [my.scouting.org](http://my.scouting.org)

For those Adults staying with us for the evening, the staff will direct you to where to park. As always at Trask, please back into your parking space. For those Adults who will be leaving for the evening and coming back, please let us know how we can contact you and leave us an additional contact number(s) in case of emergency. If there is another Adult who will be picking up your child, we will need this information also when checking in along with their contact information. \*We will not be able to release your child to a minor or to the care of anyone who is not on this list\*

## **Getting Into Camp**

To allow for safe passage into and out of Camp, we ask that you arrive at the Monrovia Canyon Park entrance at 3:45 PM. Cars will caravan together to the parking area at camp. Let the parking attendant know if you are planning to stay or will be leaving. If you are planning to stay, please remember to back into your parking space. If you are planning to leave, you are to wait until about 4:30 PM when it is determined that all campers have arrived into camp. Likewise, when leaving for the evening, all cars will be held in the parking area until it is determined that there are no additional cars coming uphill.

### **What should your Camper wear to camp every day?**

Cub Day Camp will be conducted rain or shine, so dress appropriately for the weather. Each Camper should wear any BSA Activities (CLASS B) T-shirt every day at camp and either shorts or long pants OVER their swimsuits (There are no changing rooms). Campers are also required to wear closed toe shoes- no crocks, sandals or flip-flops please. Your camper will be in the pool every day, so they are to wear a bathing suit (modest swimwear please) and bring a towel each day of Camp. The late afternoon sun can still be strong, so please apply sunscreen before arrival to camp and send some with your Camper for reapplication. All activities will be conducted outdoors so a hat or cap is also recommended. Sometimes the evenings can cool off, so pack a light jacket. Label everything with your Scout's name, we don't want them to lose anything while at Camp!

### **What about Food/Water?**

We will be providing a light pre-packaged snack every day but there will be no food service. You might want to plan your evening meal with your Cub before camp. Drinking water will be made available at various locations around camp, so please provide them with a water bottle with the Camper's name on it each day.

### **What should we do about medication?**

Campers should keep any prescribed Epi Pens (auto injectors), cardiac medication or rescue inhalers with them at all times in their day packs. All other medications, both prescribed and over the counter, will be handed over to the Health Officer on arrival. Medications should have the Camper's name and instructions clearly written on the label. It is the responsibility of the Camper to make sure they come to the Health Officer to receive medications at the appropriate times.

## WHAT should your Camper NOT bring to Camp?

Electronic games, toys and music devices are not allowed in Camp. Campers are not to bring cellphones. If they must, they are to be turned in at check-in and they can access them only in an emergency. Also, please do not bring any knives, matches, glass containers, Nerf guns, Super Soakers or other water pistols.

## **Some Final Words**

We are proud of our All-Volunteer Staff. The individuals selected have obtained additional training that either meet or exceed the requirements as put forward in the National Camping Accreditation Program and the BSA National Camp School for Cub Day Camps. They are all eager to help your Cub have an enjoyable and safe Adventure at Camp!

Thanks for choosing to send your Cub Scout to Twilight Camp at the Trask Scout Reservation. We are sure lifelong memories will be made and fun had by all!
